Greetings,

The Cherokee County Revenue Department has a new GIS website for public use. We will have an open training for this site on September 27th at 10:00am in the Cherokee County Commission Chambers. The new website is live now and you can view it at Cherokeepropertytax.com by clicking on the county maps link. Please RSVP to our office at 256-927-5527 if you plan on attending. We are continually striving to keep all our systems in line with the most state of the art programs. This website will be free to use and hopefully an asset to assist you in your jobs and the publics personal use. If you have any further question please feel free to call.

Thank you,
